Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted applicant's representative of allowable subject matter in claim 6 and 20 in hopes of compact prosecution. Applicant's representative declined the offer of allowable subject matter and insisted those feature were cover by the current claim limitation, examiner clarified that these feature were newly amended to the claims. Also that the feature that applicant's representative discuss is not supported by the current claim limitations, in addition applicant's representative could not suggest where in the specification there was support for the argued interpretation of the claim limitations.
